A native Rhode Islander, Billy Conley is known for his legal acumen in navigating the regulatory environment, his passion for ethical government, and his high-energy advocacy for his clients in and out of the courtroom.

He provides strategic insight and tactical recommendations based on hands-on experience that has resulted in rulings with a major impact on Rhode Island communities and victories for leading businesses in state and federal court.

With more than twenty-five years of experience and a legal team dedicated to the highest standards of independence and integrity, the Law Office of William J. Conley, Jr. works with businesses, individuals and government agencies throughout the state.
