*We pride ourselves on  
being a firm that gets  
the job done.*

At Moses Afonso Jackvony, Ltd., we pride ourselves on being a firm that gets the job done. Our attorneys take a hands-on approach; the partners you see are the ones who actually do your work. We internalize your goals, aggressively advocate on your behalf - in and out of the courtroom - and, whenever necessary, shift gears to ensure the best possible outcome for you.

We have been part of the pivotal projects that shape Rhode Island's infrastructure including the Providence Place Mall, McCoy Stadium, T.F. Green Airport, the Providence Convention Center, Hotel Providence and the Dunkin Donuts Center.

Founded in 1991, Moses Afonso Jackvony, Ltd. is a multi-service law firm. We build and foster strong relationships based on individualized attention and responsive service. We welcome your business and invite your referrals.
